

Anti Spy detector JMS110

Item Specifics:

Is_customized: **Yes**

Brand Name: **Noyafa**

Model Number: JMS110

Place of Origin: **Shenzhen.China**

Main function: detect hidden cameras, pinhole cameras, eavesdropping devices

Color: **Black**

Power: lithium **battery**

Warranty: **1Year**

Introduction:

Designed for Privacy Protection, detect wired and wireless hidden cameras, pinhole cameras, eavesdropping devices, GPS locators and etc.

Technical indexes:

Detecting Frequency	1MHz-8000MHz.
Detecting Dynamic Range	>73DB
Detecting Sensitivity	≤ 0.03 mw(Main Frequency)
Signal Strength Indicator	9-level LED bar graphs to show 9 signals strength levels
Battery	Embedded with 3.7V 300mA Lithium Polymer battery providing 25 continuous working hours and up to 10 days for standby.
Magnetic Field Detection range	<10cm
RF Signal Detection range	10~15cm(Depend on sensitivity)
Material	ABS
N.W	28g
Size	25*25*120mm
Charge Port	Type-C
