KM-170 (Change Mouse)

The Genius KM-170 is a simple USB keyboard and mouse combo for office working. It includes a **spill-resistant keyboard** with **media keys** and an easy-to-use **optical mouse**. Just plug to USB ports to start without additional installation.

KM-170 will change the wired mouse to DX-101. The package will be re-designed for easy identification of the model name. The part numbers of UPC and EAN codes remain the same.
